3. **Structure, governance and management**

The PCC is a corporate body established by the Church of England. It operates under the Parochial Church Council Powers Measure.

PCC members are appointed in accordance with the Church Representation Rules. All committed members of the congregation are encouraged to register on the Electoral Roll and consider standing for election to the PCC.

The Parish of St Nicholas and All Saints with St. Helen's is a parish in the Benefice of Worcester City.

The PCC has responsibility for a number of trusts that have been associated with the All Saints area of the City including the historic churches of St. Andrews and St. Nicholas'.

The PCC is responsible for health and safety, disability discrimination and safeguarding and child protection. The PCC has nominated people for the Diocesan safeguarding training.

The PCC is responsible for working with the Clergy in promoting in the parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. The PCC also has responsibility for the running of two church buildings: All Saints and St. Helen's.

The PCC delegates some business to other groups:

**Standing Committee:** comprising Church Wardens, Treasurer, stipendiary clergy, and two PCC members (nominated by the PCC). It is responsible for day-to-day business decisions on behalf of the wider PCC, or any decisions that are required urgently but have been agreed in principle by the PCC, who have duly authorized the Standing Committee to make a final decision.

**The Mission Support Committee:** this is chaired by an elected PCC member, and includes the Vicar and other nominated representatives.

**All Saints Society of Bell Ringers:** comprising representatives from the bell ringing team, this is responsible for running the bell tower of the All Saints building.

**Strategic Risks and Management Action Plans**

#### 4. **Objectives and activities**

Our vision document, the "Vision for All Saints", sets out our Mission, Vision, Strategy and Values. Our **mission** is to be a missional community that gives creative and faithful expression to the Kingdom of God in Worcester and beyond. Our **vision** is to be a growing community of Kingdom people, formed of multiple smaller communities, in and through which our lives and our city are radically transformed by God's love, grace and power. Our **strategy** identifies five strategic priorities as crucial for us if we are to see this vision become a reality. These are focused around creating a discipleship culture, nurturing a caring community, developing a leadership community, expanding our missional impact through our own initiatives, support of mission partners and collaboration with other churches, and exploring multiple expression of church. We have identified ten **values** that shape and inform how we approach being church together.

#### 5. **Achievements and performance**

**Review of the year:** The past year of mission and ministry of the church is reviewed in the reports from the various areas of church life. These are published in Part 1 of the Church Review 2018/19. They include reports on our mission projects, the electoral roll, proceedings of the PCC, the fabric, goods and ornaments of the church, and the proceedings of the Deanery Synod.

**Church attendance:** The overall trend shows that membership is growing over time. Attendance patterns are shifting and reflect the demands of 21<sup>st</sup> Century life. So, attendance at church gatherings continues to show a healthy trend, with significant increases in recent years. This excludes the large numbers attending other gatherings such as Mainly Music and Alpha. It reflects the health of the Sunday gatherings at 10:30am and 6.30pm. It also reflects a healthy balance across the age groups with a significant increase in attendance by under 18's. Current records suggest that approximately 350 adults and 120 under 18's attend, but not every Sunday.

6. **Financial review**

6.1 **Financial standing:** Table A shows that in 2018 we spent £603K and received £474K across all funds (*excluding the Bellringers Fund*). The main reasons for this are:

- the expenditure on the St Helen's Stonework repairs HLF project for which some funds had been received in 2017, and
- less income than expected to the General Fund from voluntary and regular giving, offset by additional income received by Foodbank.

Overall income was £67K higher in 2018 than in 2017. This is mainly due to the HLF grants for the St Helen's Stonework repairs, the additional income received by Foodbank, offset by the reduction in general giving. However, expenditure was £267K higher in 2018 than in 2017 mainly due to the St Helen's HLF project.

**Table B** shows how the levels of income and expenditure led to a sharp reduction in funds in 2018, mainly due to the progress of the St Helen's HLF project and the reduction in giving.

**Table C** shows the changes in funds during 2018. The General Fund shows a £30K recovery from the £55K deficit in 2017. The designated funds have reduced as a result of the decision by the PCC to transfer £55K from the St Helen's Building Development Fund to the General Fund. The HLF fund has reduced significantly as the project has progressed. Mission projects (e.g. Foodbank) remain overall in a healthy position.

Mission projects (e.g. Foodbank) remain overall in a healthy position.

**Table D** shows the reasons for the General Fund deficit in 2018. Income from giving was less than forecast. This was offset by savings. Administration costs were reduced but energy costs went up. The PCC decided to reduce our giving to mission partners, in line with PCC policy to reflect the lower level of income from general giving.

## 6.2 Actions taken during the year:

The challenging financial times continue and 2018 has once again been a difficult year. The PCC regularly reviews its budget and spending in response to financial pressures and in order to focus investment priorities towards the Mission and Ministry and the achievement of the Vision for All Saints.

- Early in the 2018 it became evident from discussions with the Diocese that the funds held in the St Helen's Building Development *Restricted* Fund (£59,644) were in fact unrestricted. As a result of this the PCC decided to transfer £54,839 to the General Fund and the balance of £4,046 to a new *designated* fund called the St Helen's Church Building Fund. This enabled the PCC to resolve the General Fund deficit that had arisen during 2017.
- During 2018 general giving was lower than expected, particularly following the Giving Renewal event in October 2017, which yielded promises of extra recurring giving totalling £40K. Unfortunately, income was down due to promises not forthcoming, people moving away, and personal circumstances.

- The PCC took action during the year to reduce costs, holding the Children's worker post vacant, and keeping within budget in other areas. As a result, the PCC has been able to carry forward unspent budgets for the replacement of equipment and sound system, and general church maintenance of our two historic church buildings.
- We honoured our pledge to continue to increase our financial contribution to the mission work supported by us and the Diocese through the Parish Share.

#### Achievements in 2018:

- Secured grants from the Church Commissioners to enable All Saints to become one of two Resourcing Churches within the Diocese. This provides investment for internal reordering of both churches, the provision of upto 6 curates in training, and additions to the staff team to develop and extend our mission and ministry in our area of the Diocese. A separate and restricted fund (Resourcing Church Fund) has been set up within the All Saints accounts to assist us in managing this project.
- Continued with the programme of work to improve and repair St Helen's Church. Having secured a Heritage Lottery Fund (HLF) grant towards the major stone works repair project, with a grant of about £250,000 2018 saw the major part of this project completed.
- Continued to develop the use of our new larger premises for the Foodbank project with new and expanded services. Sadly during 2018 we served a record number of clients with a record volume of food (over 76,000 meals) but managed to increase the volume of donations to match this demand thanks to the amazing generosity of Worcester people, and generous financial support from Trussell Trust (Tesco Top Up Grants) Sanctuary Housing, Enterprise Car Hire, a local Plant Hire Company, and many local people, organisations and churches.

The Parochial Church Council continues to address the challenging financial times with an annual budget review that is used as a key tool to plan our future investment in mission and ministry. The budget aims to:

- Clarify how financial resources and budget planning supports the vision for All Saints
- Direct financial resources to key priorities within the vision statement
- Encourage financial donations and ongoing support through a clear policy on how all new financial giving will be used by the PCC to develop mission and ministry as set out in the document a Vision for All Saints

The PCC continues to ensure that financial resources are made available to meet the needs of a growing and vibrant church, and to facilitate mission and ministry, and to use financial resources as efficiently and effectively as is reasonably possible.

There are some major repairs that will need to be carried out in the future, for which funds will be required. The PCC has appointed a group to oversee the plans for this work, and has appointed a Buildings Development Manager to ensure that this project is well planned.

Ongoing actions on financial stewardship and generosity include:

- **Giving renewal:** Ongoing teaching and regular updates to the church on finances and provision of information to enable church members to regularly review their giving and help newcomers to engage with us through their giving.
- **Governance:** the PCC continually seeks to improve the way it works to better manage its business.
- **External Funding:** over the past three years about £400K was received; including £260K in grants for St Helen's and much of the rest is towards key mission projects. Specialist advice is also being sought to help generate funding for the major repairs and reordering of the two church buildings, and for the Foodbank project.

**Future commitments and budget for 2019:** the PCC continues to face significant challenges. The immediate financial challenges include:

- Managing the Resourcing Church project and funding.
- Seeking to increase our income to match the longer-term ambitions of All Saints,
- Our increasing parish share; currently £175K for 2019 (i.e. 88% of our income from giving). This supports the running of the church including clergy, housing and training. We have budgeted to pay £80K in 2019. We are fully committed to pay our fair share.
- Regular maintenance costs of two historic church buildings, and costs arising out of the Quinquennial inspection.
- Anticipating the costs of reordering and redecoration of the church to improve our church buildings, including removal of pews, new flooring as required, and a new lighting scheme;
- Funding of new projects coming out of our Vision plans for the future.

During 2018 the PCC paid £78,607 Parish Share leaving about £66K unpaid in the year. There is ongoing work to establish a more sustainable level of Parish Share.

The balance remaining unpaid is about £370K and this has not been taken into account in these financial statements in accordance with accepted accounting practice (the PCC is not contractually committed to the Parish Share).

6.3 **The Annual Statement of Accounts for 2018:** is set out on pages 14 to 23 and has been subject to Independent Examination (see the Examiner's report at the end of this document – page 24).

6.4 **Funds movements:** the PCC agreed a movement within its funds as follows:

Funds	£'s	Commentary
From: St Helen's Building Development Fund To: General Fund	54,839	To resolve the deficit in 2017
From: St. Helen's Building Development Fund To: St. Helen's Church Building Fund	4,046	Dilapidations money not regarded as restricted, therefore PCC agreed to transfer this money to a designated fund.
From: Foodbank Fund To: CAP Fund	11,100	Grants from the Hopmarket Charity obtained for both Foodbank and CAP – transferred to help clear the CAP shortfall in income.

6.5 **Maintenance and equipment replacement sinking funds:**

Funds	£'s	Commentary
Building Maintenance	3,288	Carry forward underspend on Church Maintenance budget
Sound and Audio-Visual	2,483	Carry forward underspend on Sound and Audio-Visual budget
Equipment and Furniture	770	Carry forward underspend on Equipment and Furniture budget

6.6 **Other Fund adjustments:**

Funds	£'s	Commentary
Vicar's Discretionary Mission Support	987	Transferred from General Fund Mission Support budget
Overseas Mission Partner Development	987	Transferred from General Fund Mission Support budget

<b>Funds</b>	<b>£'s</b>	<b>Commentary</b>
Events	434	Surplus on events transferred to General Fund
Christians Against Poverty Debt Counselling service	2,967	Write off part of the CAP Fund deficit to General Fund, this leaves a deficit of £1,492 to be addressed in 2019 once the final payments and income have been taken into account.
Christians Against Poverty Job Club	1,040	Write off the deficit on the Job Club fund now the Job Club has closed.

7. **Reserves policy**

It is PCC policy to maintain a balance on general funds of approximately 10% of gross expenditure (if possible), although ideally this should be three months of expenditure or 25%; as a contingency to cover for urgent and emergency situations that may arise from time to time. Therefore, it is the policy of the PCC to maintain a balance on Unrestricted funds (General Fund and Designated Funds) of at least £20K. These funds were in deficit by £1,420 as at 31<sup>st</sup> December 2018 (£17K surplus at 31<sup>st</sup> December 2017, £60K surplus as at 31<sup>st</sup> December 2016, ££89K as at 31<sup>st</sup> December 2015 and as at 31<sup>st</sup> December 2014). The PCC was operating within its reserves policy prior up to 2016. It has made decisions to address this issue and will take actions through its budget and teaching on giving and generosity to return these funds to the required minimum of £20K in the future.

It is also the policy of the PCC to maintain a balance on the Foodbank Fund equivalent to 6 to 9 months of operating costs. This equates to between £23K and £35K. Foodbank is currently operating within this policy.

A number of restricted and designated funds are held for specific purposes. These are set out on page 15 of the Accounts.

It is our policy to invest funds in CBF Church of England Deposit Fund, after taking account of the need for cash in the bank current account to meet day to day expenses and cash flow. Some small investments arising from other charities and trusts are held in other investment funds. These will be reviewed on a regular basis.

8. **Funds held as a custodian for others**

The PCC has custody of six bank and investment accounts which bear the name other than All Saints and St Helen's. The Bell Ringer's account holds the funds for the Bell Ringers Restricted Fund.

9. **Plans for the future**

See the document "A Vision for All Saints Worcester" which summarizes the All Saints plans for the future.

10. **Accounting Policies - for the year ended 31 December 2018**

The financial statements have been prepared in accordance with the requirements of the Charities Act 2011 and any regulations made there under and the Charities SORP; Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities (the FRSSE) (effective 1 January 2015). The financial statements have been prepared under the historical cost convention except for the valuation of investment assets, which are shown at market value.

## 10.1 Funds

**General funds:** represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC.  
**Designated Funds:** are held for a particular purpose by the PCC, but still remain legally unrestricted.

**Restricted funds:** these are funds raised by the church or given to the church for specific purposes and must be spent on that purpose.

The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members.

## 10.2 Incoming Resources

<b><i>Voluntary income and capital resources</i></b>
Collections: accounted for when received by or on behalf of the PCC
Planned giving: under Gift Aid is accounted for only when received
Income tax: recoverable on Gift Aid donations is accounted for when the donation is received
Grants and legacies: to the PCC are accounted for as soon as the PCC is notified of its legal entitlement and the amount due
Fund raising: special events (e.g. concerts) accounted for gross
Sales of books and magazines: accounted for gross
<b><i>Other ordinary income</i></b>
Rental income: from the letting of church premises is accounted for when the rental is due
<b><i>Income from investments</i></b>
Dividends and interest: accounted for when receivable. Tax on such income is accounted for in the same accounting year
<b><i>Gains and losses on investments</i></b>
Realised gains or losses: accounted for when investments are sold
Unrealised gains or losses: accounted for on revaluation of investments at 31 December

## 10.3 Resources used

Grants and donations to missions etc: accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC

### ***Activities directly relating to the work of the Church***

Parish share: accounted for when payable. Any agreed payment remaining unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor<sup>1</sup> in the Balance Sheet.

## 10.4 Fixed assets

### ***Consecrated land and buildings and movable church furnishings***

Consecrated and beneficed property is excluded from the accounts by s.96(2)(a) of the Charities Act 1993.

No value is placed on movable church furnishings held by the vicar/rector and churchwardens on special trust for the PCC and which require a faculty for disposal since the PCC considers these to be inalienable (i.e. cannot be transferred to another person). They are listed in the Church's inventory, which can be inspected (at any reasonable time). For inalienable property acquired before 2006 there is insufficient cost information available and therefore such assets are not valued in the financial statements. Items acquired since 2006 (had there been any) would have been capitalized and depreciated in the financial statements over their anticipated useful economic life on a straight-line basis.

---

<sup>1</sup> Creditor: goods or services which we have received in the year but for which payment is to be made in the following year.

All expenditure incurred during the year on consecrated or benefice buildings, individual items under £2,500, on repair, or movable church furnishings, is shown as expenditure for the year in the financial statements.

**Other fixtures, fittings and office equipment**

Individual items of equipment with a purchase price of £2,500 or less are shown as expenditure in the year when the asset is acquired. There are no items of greater value.

**Investments**

Investments are valued at market value at 31 December.

**Current assets**

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectable.

Short-term deposits include cash held on deposit either with the CBF Church of England Funds or at the bank.

10.5 **Gifts in kind**

**Volunteers:** the time given by volunteers is not accounted for in the accounts. The PCC's gratitude for these gifts is reflected in the Annual Review. Foodbank is staffed entirely by volunteers valued at over £70k. Local companies donate staff time to Foodbank.

**Donations of food to Foodbank:** The value of food donated is not shown in the Accounts as it is not realizable; food is donated for the specific purposes of Foodbank operating under the Franchise of the Trussell Trust, and the value is only shown as a note to the accounts. Valuation is based on the estimated average value used by Tesco (£1.67 per Kg) and as advised by the Trussell Trust. This is a valid method of valuation for these gifts in kind as it is used by Tesco to calculate the cash grant 20% top-up given to Foodbanks for food collected through their stores. Food Donations during 2018 amounted to 75,394 Kg (68,124 Kg in 2017, 55,818Kg in 2016 and 39,889Kg in 2015). This together with non-food items is estimated to be valued at about £126,000 in 2018 (£120,000 in 2017, £85,000 in 2016 and £66,615 in 2015).

**Donations of Toys and Clothes:** During 2018 Worcester Foodbank further extended the toy project. We received donations of new toys valued at about £10,000 (£10,000 in 2017). We also regularly receive good quality used clothing, Baby clothing and equipment. It is not possible to accurately estimate the value of these items, but is thought to be in excess of £2,000.

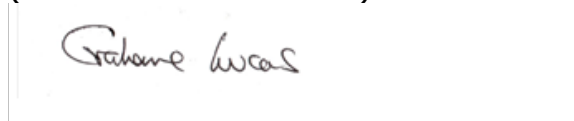

**Donations of goods and services:** Enterprise Van Hire Company donated the free use of a van on three occasions and an "at cost" use of a van for the Tesco Collection Weekend (5 days for £90). First Bus have donated free bus tickets to the value of about £600. Centeur Ltd have produced a promotional video, and Something Different Ltd have supplied strong bags for food parcels and Magnetic Signs for the new Foodbank van.

**Independent Examiner's Report to the members/trustees of All Saints Church,  
Worcester, Parochial Church Council.**

---

I report on the accounts for the year ended 31st December 2018 which are set out on pages 14 to 23.

**Respective responsibilities of the Trustees and Independent Examiner**

The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the General Directions given by the Charity Commissioners section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention.

**Basis of Independent Examiner's Statement**

My examination was carried out in accordance with the General Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the management committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in a full audit, and consequently I do not express an audit opinion on the accounts.

**Independent Examiner's Statement**

In connection with my examination, no matters have come to my attention

1. which give me reasonable cause to believe that in any material respect the requirements

- to keep accounting records in accordance with s.130 of the 2011 Act; or
- to prepare accounts which accord with these accounting records have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
